

UNITED STATES ENVIRONMENTAL PROTECTION AGENCY

DATE: April 30, 1979

SUBJECT: McGinnes Waste Disposal Site

AmBER

Tx 4910

FROM: William B. Hathaway  
Chief, Solid Waste Branch (6AAHSW)

*Tom Clark*

TO: Jim Stiebing  
Chief, Engineering & Evaluation Branch (6AEE)

Attached, for your information, is a copy of Dr. James Parker's comments on the McGinnes waste disposal site located in Galveston County, Texas.

Attachment

*Note - I phoned J. Gales Solid Waste Branch. He said this was an info copy. He also mentioned that Hathaway had recommended to the R.A. that this file be elevated to a "major." He said this was a RCRA matter but would keep us informed. The file reveals no discharge since 6-78. Minor violations before June 78.*
